

Subject: Research Project Topic Assignment

Dear Supervisor,

I am writing to express my interest for the upcoming research project and to share my eagerness to contribute meaningfully to its success.

With my experience in frontend development, including proficiency in HTML, CSS, and JavaScript, I have developed a keen interest in expanding my skill set. I am particularly excited about learning Python and exploring deeper into UI/UX design.

I am open to exploring a variety of topics within the realms of frontend development, Python programming, and UI/UX design. I also want to mention that I possess strong interest in **Teaching Web Technologies by Means of Computational Notebooks**. I am committed to bring my passion and dedication to the project and am confident that I can make valuable contributions to our team.

Thank you for considering my interests, and I look forward to collaborating with you on this exciting project.
