BMW Group

Dear Sir/Madam,

I am writing to express my enthusiastic interest in the position of Working Student Android Performance Analysis (F/M/X) at BMW Group as advertised. With my background as a highly skilled Junior Software Developer and specialized expertise in Android app development and performance optimization, I am confident in my ability to contribute effectively to your team.

During my role as a Junior Software Developer from 2021 to 2023, I developed a robust skill set that aligns seamlessly with the requirements of the Android Performance Analysis position. Specifically:

- Mobile App Development Skills:
- React Native and Flutter proficiency
- Top-rated mobile UI design
- App performance optimization
- Mobile-first design principles
- Android development specialization
- App Store and Google Play publishing

These skills collectively showcase a strong foundation in UI/UX design, mobile app development, and a comprehensive understanding of cross-platform technologies, which are directly relevant to the position of Working Student Android Performance Analysis.

Thank you for considering my application. I am looking forward to the opportunity to discuss in more detail how my background and skills can contribute to the success of your team. Please find my resume attached for your reference.

Sincerely,

Sitara Khurram
